# Rug Backings That Give Back

All of our rug backings are, at a minimum, carbon neutral. We offer three backings that are designed to move beyond carbon neutral and toward a carbon negative future. Plus, FLOR partners with Aquafil, whose regenerated ECONYL® nylon is the same as brand-new nylon but without the need to utilize new resources.

# Your Rug, Your Way.

We believe a rug should be able to handle daily life and do it with style. The secret to our good looks is individual carpet tiles. If you want to update the style or change the size, no problem. Just replace a few tiles, not the whole rug.

**1. SAMPLES**  
See a style you like? Order our 6" samples for \$2 each. Visit [FLOR.com/samples](https://www.flor.com/samples) to get started.

**2. ORDER**  
Once you place your order, most ship within 2 business days and arrive to your home in 5-7 business days.

**3. FLORDOTS**  
These adhesives stick to the bottom of each tile, not to your floor. With only two components, one person can assemble the rug.

**4. EASY CLEANING**  
The tiles come apart for easy cleaning—just loosen the FLORdot, rinse tile in your sink, and put it back in place.

## STANDARD & CUSTOM SIZES
